# UTILITY

VINO focuses on its token utility as this is a community project. Strong emphasis on the monetization of the project through NFT.

NFTs are integrated into the company's platform.

Exclusive benefits to NFT holders in terms of staking rewards, land acquisitions, discounts on trade taxes.

## HOW WILL THE GOVERNANCE WORK?

Token holders will be able to directly participate in governance of the following: Tax fees percentages and allocations Token distribution and allocation Grants and rewards.

## TOKEN ALLOCATION

**REWARDS:** 5% of the total tokens will be reserved for an airdrop to holders.

**STAKING:** 15% of the total tokens will be dedicated to staking, allowing token holders to earn rewards by holding and staking their tokens.

**DEVELOPMENT:** 14% of the total tokens will be focused on the development industry, which is a key focus for VINO. VINO Tokens will be used to incentivize and engage within the community and drive the growth of the platform.

**PUBLIC SALE:** 42% of the total tokens will be reserved for sale across different platforms.

**ECOSYSTEM DEVELOPMENT:** 10% of the total tokens will be used to finance the ongoing development and maintenance of the ecosystem, as well as any necessary research and development.

**Marketing:** 10% of the total tokens will be allocated to marketing efforts to promote the adoption and engagement of the Ecosystem.

**Team:** 4% of the total tokens will be reserved for the team to align their interests with those of the community and incentivize the continuation of efforts to build and improve upon the platform.
